## CAMPUSES OF LONG ISLAND UNIVERSITY

### The Residential Campuses

#### Brooklyn Campus

The Brooklyn Campus is distinguished by dynamic curricula reflecting the great urban community it serves. Distinctive programs encompass the arts and media, natural sciences, business, social policy, urban education, the health professions, pharmacy and health sciences, all on a pluralistic campus that draws insight and strength from differences. The Campus offers Ph.D. programs in clinical psychology and pharmaceuticals, the D.P.T. in physical therapy and the Pharm.D. in pharmacy. In the last five years, faculty and staff members have secured more than \$13 million in research and scholarly grants from the National Science Foundation, the National Institutes of Health and other federal agencies.

Founded in 1926, the Brooklyn Campus is the original unit of Long Island University and the only one in New York City. Its 11-acre site in downtown Brooklyn is convenient to all subway lines, many bus lines and the Long Island Rail Road.

The Brooklyn Campus offers 208, associate, undergraduate, graduate, doctoral and certificate programs. Serving 11,320 students, its academic units include the Richard L. Conolly College of Liberal Arts and Sciences; the School of Business, Public Administration and Information Sciences; the School of Education; the School of Nursing; the School of Health Professions; and the Arnold & Marie Schwartz College of Pharmacy and Health Sciences. It is known for its nationally recognized Honors Program.

In 2005, the Campus opened a \$40 million wellness, recreation and athletic center, and a new performing arts complex, which includes the 300-seat Kumble Theater. Both of these facilities serve the Campus and the community.

#### C.W. Post Campus

The C.W. Post Campus is distinguished by programs of excellence with small classes in accountancy, business, information and computer science, education, public service, health professions and nursing, visual and performing arts, and liberal arts and sciences. The wooded suburban campus, only 20 miles from New York City, is home to the renowned Tilles Center for the Performing Arts, Hillwood Art Museum and WCWP-FM, a Long Island University Public Radio Network station. C.W. Post offers the Ph.D. in information studies and the Psy.D. in clinical psychology.

The Campus was established on the former estate of cereal heiress Marjorie Merriweather Post in 1954 to accommodate the growing educational needs of Nassau County following World War II. Named for breakfast cereal creator Charles William Post, C.W. Post offers its 10,621 full-time, part-time and non-credit students a comprehensive range of 255 associate, undergraduate, graduate, and doctoral degree programs and certificates. In addition, the Campus offers college-credit courses to more than 2,000 high school students in area schools.

The Campus is recognized as one of the nation's most beautiful academic settings. Modern buildings range from an acclaimed student union to an elegant library. Beautiful red-brick academic buildings, including Humanities Hall, Pell Hall/Life Science and the Kahn Discovery Center, are outfitted with wireless classrooms, major-specific laboratories and computer centers. C.W. Post's award-winning cooperative education program is nationally respected for its extensive career counseling and job placement services.

Seventeen NCAA men's and women's sports teams take advantage of C.W. Post's 70 acres of playing fields. Clubs, fraternities and sororities provide many other outlets for student activities. C.W. Post's \$18 million Pratt Recreation Center is a state-of-the-art health and fitness facility featuring an eight-lane swimming pool, three full-size basketball courts, racquetball courts and an elevated jogging track.

Tilles Center for the Performing Arts, Long Island's premier concert facility, brings Carnegie Hall and Lincoln Center to the Campus with world-class jazz, rock, folk music, dance, mime, orchestral and chamber music performances.
