<b>Total:</b>	<b>36</b>

- All courses must be registered and approved by the Graduate Director. Students whose graduate work shows some weakness or deficiency will be directed to strengthen their program in those areas through a choice of electives.

## Transfer Credits

If pertinent to the applicant's plan of study, a maximum of 6 graduate credits with a grade of B or better may be transferred from another university's graduate program (12 credits from within Long Island University). The transfer will take place after the completion of 15 credits within this program but the request must be made at the time of the original application to the degree program and must be approved by the Graduate Director.
